20th Anniversary of the Gardens of Uxbridge Tour

Community Care Durham is proud to announce the 20th Anniversary of Gardens of Uxbridge, sponsored by Investors Group, taking place on Saturday **July 9th, from 10:00 a.m. to 5:00 p.m.** To mark this special occasion local musicians and artists will be in attendance throughout the gardens. The tour consists of eight spectacular private gardens, with both town and rural properties. **Tickets are \$25.00** which includes a boxed lunch to take along or enjoy at the Uxbridge Seniors Centre (75 Marietta Street, Uxbridge). Purchase tickets by July 6 to be entered for a chance to win our Early Bird Draw, dinner for two at the Tin Mill Restaurant, Uxbridge.

Since 1997 our garden tour has grown in popularity with ticket sales now in excess of 400 visitors. These now include large numbers of big city dwellers ready to enjoy a relaxing day viewing both interesting private gardens and our stunning countryside.

Tickets are available by phone (905-852-7445) and after June 1 at the following locations: in Uxbridge at Blue Heron Books and the Tin Mill Restaurant; and in Port Perry at Branching Out.

On the day activities include a raffle for a chance to win one of several great garden-related prizes. All proceeds from the garden tour go to support the programs of Community Care Durham, a multi-service charitable organization offering services to more than 10,000 Durham Region adults and their caregivers with needs related to aging, physical and/or mental health.
